Dr. Felix Romy Triambulo
Schools Division Superintendent
DepEd, Pagadian City

Dear SDS Triambulo,

Greetings!

Breast cancer is the most common cancer in the locality reflecting national as well as worldwide data; and breast cancer awareness month is held every October. This year, we would like to involve your agency to join us during a kick off activity.

On **October 2, 2023**, we would like to enjoin the DepEd Pagadian City Division to participate in a **SIMULTANEOUS PINK ZUMBA EVENT** which can be done right after your flag raising ceremony. As far as we know, this planned activity has never been done in any area in the Philippines, and we aim to be the first one to do this record-breaking event.

Your agency may tap a Zumba Zin to lead the activity. We would like to enjoin the participation of the employees and officials under your supervision, if feasible. **We would also encourage participants to wear a black shirt and a pink bra over the shirt (it can be a pink piece of cloth worn over the chest if a pink bra is unavailable) for the Zumba activity.** Our group will be providing your office with a tarp to be displayed during the activity.

Each participating entity will then **be requested to submit a 10-second video of the Zumba dance and pictures to be uploaded in our official FB page (KUMBATI ZAMPEN CANCER SUPPORT GROUP) to create more awareness about breast cancer.** We hope to generate media coverage as well.

For any query, please contact the undersigned through mobile number 09173003059 or Ms. Katherine P Balsamo through mobile number 09091975777.

Thank you for your positive response and continued support to our cause.

Sincerely,

MS
MARICHU MALATE- ATAY
President
