No. 116, s.2024

UPDATE ON THE COMPLIANCE OF SCHOOLS TO MEMORANDUM DM-OUHROD-2023-1399 TITLED ROLLOUT ON THE SCHOOL GOVERNANCE COUNCIL (SGC) FUNCTIONALITY ASSESSMENT TOOL FOR SECONDARY SCHOOLS

To: All Principals/School Heads) Public Secondary and Integrated Schools
SGC Designated and Elected Co-chairpersons
Others Concerned

1. Following the issuance of DepEd Order No. 26, 2022 titled *Implementing Guidelines on the Establishment of School Governance Council (SGC)*, DepEd Regional Office IX has been conducting monthly progress check to monitor the compliance of schools on the establishment and functionality of School Governance Councils in all public secondary schools, including integrated schools which have complete secondary grade levels, as mandated in DM-OUHROD-2023-1399 TITLED ROLLOUT ON THE SCHOOL GOVERNANCE COUNCIL (SGC) FUNCTIONALITY ASSESSMENT TOOL FOR SECONDARY SCHOOLS.
2. This Division, through the SGOD, has likewise conducted orientation, and ongoing series of online and onsite school monitoring, and provision of technical assistance to see to it that schools are capacitated on the technical processes of the online SGC Functionality Assessment Tool (SGCFAT) beginning as early as November 2023 and onwards.
3. Attached herewith is a copy of the updated data downloaded from *DM-OUHROD-2023-1399 Enclosure No. 3: Report No. 1 (Quick Count)* for the information, guidance, and immediate action of all concerned SGCs. Please note that schools which have been noted as functional are still subject to onsite and SGC system validations. Those which are not yet functional are still allowed by the system to respond again to the online SGCFAT and update their MOVs towards functionality.
4. Regrettably, there are still schools which have not even responded to the SGCFAT until this time. The undersigned expects that these schools will be able to catch up before the deadline on **April 30, 2024**, otherwise appropriate action has to be taken by this office.
5. For immediate action and compliance.
