TRAINING - WORKSHOP OF TEACHERS ON THE USE OF FILIPINO SIGN LANGUAGE (FSL) IN THE CLASSROOM

1. In line with the Department of Education's (DepEd) commitment to promoting inclusive education, the integration of Filipino Sign Language (FSL) in classrooms is essential for ensuring quality, accessible education for Deaf and Hard-of-Hearing (D/HH) learners. DepEd Order No. 21, s. 2020 mandates the use of FSL as the primary language of instruction for Deaf students, supporting linguistic rights and educational equity. As part of this commitment, the Division of Pagadian City through the Curriculum Implementation Division will conduct **Training - Workshop of Teachers on the Use of Filipino Sign (FSL) Language on March 31 & April 2-4, 2025**, at **Hotel Guillermo Pagadian City**

2. This Training-Workshop will enable the participants to:
- describe the key linguistic features of Filipino Sign Language, including grammar, syntax, and vocabulary.
 - demonstrate basic conversational skills in FSL, including greetings, introductions, and classroom instructions.
 - practice common classroom phrases and subject-specific vocabulary in FSL.
 - apply strategies for integrating FSL into different subject areas and classroom activities.
 - design lesson plans that incorporate FSL for various educational levels.
 - identify and utilize appropriate teaching materials and resources that support FSL use.
 - implement inclusive teaching practices that accommodate the diverse needs of learners with hearing impairments.

3. Each school is required to designate one teacher participant who serves as the School's SNED focal or class adviser for a learner diagnosed with hearing impairment or exhibiting signs of hearing difficulty, as listed in the attachment.

4. Attached are copies of the list of participants to this activity and its training matrix for reference and guidance.

5. Meal and snacks are chargeable against Division 2024 SNED-PSF Funds, subject to the usual government accounting and auditing rules and regulations.

6. Immediate dissemination of this memorandum is highly appreciated.
